Cheng: passive income

Linda T: Flexible lifestyle-- and I need a pattern to follow to get started... Have dabbled in many things, but need one that works

Maurice: Passive income without spending all waking hours to produce it!

Dino: need something simple, lifestyle

Lou Bortone: Good stuff! Thanks Paul

Lou Bortone: The usual question - will there be a replay? I need to jump off soon...

Rick Hoefler: probably need a different term than "passive income"--that just seems guilt producing...

Murph and Maruxa: Thanks for the reminder to stop feeling guilty. So often we work too hard!

Kevin Horn, Lebanon, VA: i love the idea of passive income!

Debra: Passive income web based is the holy grail of online business models. Buyers are always looking for businesses it used to AdSense sites but as we all know times have changed that.

Linda T: Not guilt producing to me! It seems like an efficient way to work! Work once on something, profit repeatedly...

Cheng: What about for the "HERMIT"... Is this machine applicable to them?

GET MORE DONE IN LESS TIME

**Control Your Time And You
Control Your Destiny!!**

**Good News! You and everyone else
have exactly 24 hours in a day. It's
the ONLY area where EVERYONE is
really equal!! :-)**

**Bad News! 95% of people have no
clue about how to squeeze the most
profit from each minute.**

I'm always hearing people say, "There are not enough hours in the day."
or "I just can't seem to get everything done."
