REPORT BRANDING INSTRUCTIONS

To brand this report with your name and website address, please follow the instructions below.

Step #1: In order to rebrand this report you will need to double-click the rebrander software. It looks like this:

Step #2: This software allows you to drag and drop the pdf report file from your computer into the ViralPDF application. Simply click the pdf file with your left mouse button and drag it into the box.

Step #3: You will now be asked to enter your website link and your name. Type them into the boxes and click the "Brand" button. ***Please Note:** Do not include the http:// when typing in your website link because the software includes in automatically. Typing in the http:// will result in a link that looks like this: http://http://www.yourwebsite.com and it will not work.

C:\Documents and Settings\Meli...

File Edit View Language About

Open BRAND Save Help

Enter your own information into the fields below.

Your Name *

website-url *

All fields marked with a * are mandatory.

Ready

Step #6: A box will pop-up that will say "Remember to Save Your Changes!" Click OK and then click the "Save" button. You can save the file with whatever name you like.

Step #7: Open the branded PDF file and check to make sure the links are working properly.

If you have questions about rebranding, please visit our support desk at <http://www.contentmarketingsupport.com>.
